

Color reproductions are approximate. The actual colors may differ slightly from actual paint color

Sales orders cannot be released for production until a finish color has been assigned.

Primer Finish for Field Painting

IMPORTANT: Primer finish is only recommended for field painting only and is not intended to be a final finish. Best described as a “light gray flash primer”, it has a low gloss flat finish, providing an ideal surface for field applied paint, with no need for any surface preparation prior to field painting, other than to ensure it is free of dust or debris. Color reproduction shown for primer finish is approximate.

Primer Finish
(Not a final paint finish, see above note)
